

“ANETO” TABLES

- 30 mm. melamine tops in grey, light beech, dark beech, graphite, blue and green.
- Shell finishes in black, silver, graphite and chrome.
- Stratified plastic-laminated tops are also available for installations that may require a higher endurance to abrasion, impacts, chemical products,...
- Anti-shock edging.
- 40 mm. radius round corners.
- Ø 35 x 1,5 mm., Ø 30 x 1,5 mm., Ø 20 x 1,5 mm. and Ø 10 mm. round steel tube frames.
- Level regulators.
- All elements are provided with an easy assembling kit; no tooling required.
- Folding legs, which allow for the tables to be horizontally stacked once folded.
- Fitted with soft, anti-scratch butts.
- Table trolley also available: capacity 6 tables.
